A Note from the Principal :

Being a premier academic institution of Upper Assam, Gargaon College is publishing its first newsletter 'AALOK' from this year which will reflect the various intellectual exercises of the teachers and students. Hope, this newsletter will encourage the stakeholders of the institutions to work jointly for total development of the college. 'AALOK' will be a record of the academic as well as other activities of the teachers and students in various field of this competitive age. The society will also be benefited by knowing the way how the institution has been progressing in its various fields during its 48 years of existence since being established in 1959.

Editorial Column :

In this introductory issue of AALOK, we are trying to highlight the academic and other activities etc. of the last two years performed by the college. On this great occasion, we sincerely express our profound gratitude to all the persons associated with the foundation of the college.
