IQAC Report

IQAC has been working to enforce quality in every academic and other areas related to Gargaon College. It has prepared the format to get written feedback on the performance of the college, faculties and course curriculum etc from students and parents. In addition to this, feedbacks from support staff of the college are also taken regarding infrastructure and work environment. The coordinator of IQAC has additional responsibility of coordinating ISMC (Internal Semester Monitoring Committee), for which she has to work hand-in-hand with the Principal, who happens to be the Chairperson of ISMC. ISMC has prepared Semester wise academic report to submit at ZSMC. To encourage the faculties in research activities, IQAC has initiated a scheme to finance faculties to take up 'Mini Research Project', as directed by the Principal of the College. The first 'Mini Research Project' entitled-'Qualitative Study on Adulterants in Mustard Oil' is going on at the Department of Chemistry. Principal Investigator of the project is Mr. Ranjit Dutta, Associate Professor of Chemistry. Coordinator of IQAC: Dr. Ranjana Gogoi, Associate Professor, Dept. Of Statistics.
